Structure Spring City Area Study

HABS No. U-70

Permanent settlement in Spring City dates from 1859, five years after an earlier colony was evicted by hostile Indians. In its layout, it is a typical Mormon village and its buildings represent a wide variety of nineteenth century tastes and materials. 1 sheet (1968 map); 5 aerial photos (1968); 25 ext. photos (1968), 1 int. photo (1968); <sup>2</sup> data pages.
